BUILDING UPDATE: No progress to report with the activity surrounding the water line installation. That needs to be completed before the rest of the concrete in the building can be poured. We can't move forward with any other parts of the project until those two items are completed. \$130,000 is the cost for getting the water line buried and concrete poured. Please prayerfully consider giving towards this need. Ideas are being discussed, and plans are being made to address the overall financial need for the project. Anticipate a pledge drive campaign to be presented. Additional options will be presented at the congregational meeting in July.

SUMMER SUNDAY SCHOOL:

Age 3-1st Grade David & Becky Sundblad "Life of Jesus" Basement

2nd Grade-6th Grade Rachel Johnson & Ella Farnham
"Candy Factory/Following Jesus is Super Sweet" Basement

Junior High/High School Jesse & Andrea Peterson
"Explore the Bible: Psalms" Youth Room Upstairs

Adults Pastor Jason Harms "A Study of the Psalms" Fellowship Hall

Thinking about a **MISSION TRIP** to Hungary? July 22 – August 2 we would like to provide a team to go encourage our longtime friends, Zoli & Helga Dan, and help them with an Evangelistic English Camp. Please talk to Shane Carlson if you are interested.

Our **5th SUNDAY POTLUCK** is today! Plan to join us following morning worship for a time of fellowship and good food! Each family please bring a main dish and a side salad or dessert. Drinks and table service will be provided.

On July 9, our church will be hosting the **COMMUNITY BBQ**. We will provide meat, and ask each family to bring a salad or dessert to share.
