

**June 8, 2025**  
**TODAY'S WORSHIP**

"Grateful"  
"Great Are You, Lord"

"Promises"  
"Christ is Enough"

**TODAY'S MESSAGE**  
**"Incomprehensible God"**  
**Job 38-42**

We had a great week at our **VBS Soccer Camp!** Thank you to all the coaches, leaders and helpers who made it all possible. We had about 60 kiddos here each night, learning soccer skills and hearing about how God can help us in all our messes!

**LADIES!** Join us on Wednesday, June 18 at Alison's Kitchen for a Breakfast Buffet. Serving is from 7:00 – 8:30 AM, so stop in when you can, grab something from the buffet, and enjoy visiting with other gals! There is a sign-up at the welcome desk, so we can give a count to the restaurant. Cost is \$10 each.

**BUILDING UPDATE:** We have been informed of the need to extend a water/sewer line from the funeral home location to our site. This must be done before completing the final concrete work. The line is needed to meet the sprinkler system's requirements. Add to those two items the cost of trucking the dirt that was given towards the project, we have a total outstanding expense of \$130,000, which we cannot currently cover. We won't move forward and commit to our subcontractors' earlier offer of starting their work September 1 until this current obligation is met. Financing options for moving into the next stage will be discussed at the semiannual congregational meeting in July. No decision to give contractors the approval to move forward will be made until after that meeting. We know waiting may have an impact on their promise of concentrating solely on our project until it is finished.
